

1. Member Name, Address

These are the details required for the main member.

Please complete this section for all family members to be included in your membership.

Date of birth is optional for those over 16 years but it helps us to understand our membership better if you can provide that information.

2. Email address and telephone numbers

We communicate with our members primarily via email so please let us know your email address. If your family members have their own email address, please include these as well.

We do not distribute your details to any other body or person. Under GDPR regulations we need your permission to hold your contact details. We will use these email addresses to auto-subscribe to website notices. Your telephone number will be published in the handbook, on the notice board and 'members only' section of the website. Please indicate your agreement, or otherwise, to use of your details in these ways.

3. Class of Craft

Please enter details of all craft to be sailed at Durleigh, including those for which you do not require a boat space.

All craft must have third party liability insurance of at least £1,000,000. Please confirm your insurance details for each boat.

4. Type of membership

Please indicate the membership type you require (see Subscriptions for details).

- Family memberships can include your spouse/partner and dependants under the age of 16 years and/or in full time education.
- Single Junior membership is for juniors under sixteen and Students in full time education.
- Single Junior or Student Package is issued on the understanding that they will be the sole helm of the dinghy. Boat space and sailing licence is included in the package.
- Radio controlled Boat member only – Associate member, no voting rights. Duties not required. Use of Clubhouse. Sailing at any time but not to conflict with other approved activities.
- Boat space: Please advise if a boat parking space is required.
- Trailer space: Any road trailers not stored under your boat will require a trailer licence.
- Sailing Licence: Each craft will require a sailing licence.
- Additional Sailing Licence: Single members with more than one boat may request additional, free of charge, sailing licences if they confirm that they will not have more than one craft on the water at any time. *This does not apply to the Junior Package.*

An additional sailing licence is required for additional family boats on family memberships, not for boats sailed as single handers – there is no charge for single membership.

Each, and every, craft will require a full licence where they can be on the water at the same time as other craft within that membership.

Windsurfers need only purchase sailing licences for the maximum number of boards that they will have on the water at any one time. Please state how many you require.

5. Duties

Every member of DSC is required to assist with the running of the centre by doing sailing duties.

There are four types of duties:

Race Officer/Officer of the Day (RO/OOD) – you are responsible for the running of races and sailing for the day, supported by:

Patrol Boat Officer (PBO) – you must hold an RYA Powerboat 2+ qualification or greater. Free training is available for the '+' element of the qualification and a period of grace will be granted to allow the training to be completed.

Assistant Patrol Boat Officer (APBO) – you must be physically fit and able to assist the PBO – no qualifications required.

Details of each duty will be available in the handbook. Training is available.

Please ensure you provide an email address for each nominated duty member.

Please confirm any relevant training qualifications.

Please confirm if you wish to be included in our list of members who are willing to cover another member's duty for a fee. Some members are willing to pay someone else to do their duty. This is a private arrangement between members, but we can facilitate such swaps.

For renewals, we will assume all members will be renewing their membership for the new season. Unless we hear, in writing, to the contrary you will be sent an allocation email from the Rota Secretary at the beginning of January giving you the option of selecting your duties for the season. This will be on a "first come – first served" basis and available for approximately one month. Please ensure you select the full amount of required duties as soon as possible.

To keep fees to a minimum, each member is required to do two full day duties a year. Sundays count as one duty and Wednesday evenings and Saturday afternoons are half a duty. At least two members of a family membership are expected to do two full duties each. However, non-sailing family members are exempt from duties, although you will be welcome if you choose to do so.

We do have a 'duty opt out' fee. If you wish to opt out completely, we will use the fee to pay someone else. In the event of a member not fulfilling their duty allocation, a charge equivalent to £23.50 per half-day duty will be payable. We appreciate there can be extenuating circumstances – please let us know as soon as possible.

The Icicle and Winter series do not form part of the duty year as above, and those taking part will arrange the duties amongst themselves.

Declaration

Please read and understand the declaration.

In particular, please note that every craft, anywhere on the premises, must have third party liability insurance of at least £1,000,000. We will need the insurance details for each one.

The centre's constitution will be available in the handbook and on the website.

Returning the form - You may complete the form, type your name in the signature box, enter the date and return the form by email. Alternatively, you may print off the form, complete, sign, and date.

The form can be returned by email, photo on your phone (SMS or Whatsapp) or by post.
